Old Business

2010 Flood Mitigation Project

Interim City Manager Skelton reported that the 2010 Flood Mitigation Project is finished. We are waiting on the final pay request from our engineer. Once we receive the approved pay request we will forward it to the State for our reimbursement of approximately \$41,000.00.

Main Street Enhancement Project

Everything has been sent to the State for the final reimbursement on the Main Street Enhancement Project (approx. \$30,000.00). Mayor Burns asked Manager

drywall it in (not to exceed cost of \$100,000.00). The motion was seconded by Commissioner Warren.

Roll Call Vote:

Commissioner Packwood-----Yes

Commissioner Warren-----Yes

Commissioner Primm-----Yes

Vice Mayor Boyd-----No

Mayor Burns-----Yes

The motion carried. Fire Chief Battles asked if the City would have anyone supervising the block laying crew. The mayor stated that someone needs to supervise the entire project. Mr. Mark Forrest asked about the cost of a Jaws of Life machine. The mayor said the last time he checked the cost was \$35,000.00 for that piece of equipment. Mr. Forrest asked if the City could possibly get a grant to purchase the equipment. Manager Skelton said that FEMA has several grants for equipment. The mayor said that we can apply for some grants after we

Multi-Modal Grant

A motion was made by Commissioner Warren to pass a Resolution authorizing the City of Clifton to apply for the Multi-Modal Grant. This grant would extend our side walk from downtown to the Clifton Marina. The motion was seconded by Commissioner Primm, and carried unanimously. The commissioners agreed that letters of support may be beneficial to send in with our grant application.

Bids for new Fire Truck

The Interim City Manager told the commissioners that the opening of bids for the new fire trucks would take place on 11-19-15, Clifton City Hall, at 2:00 pm. The bids will be recorded, and read aloud.

Department Reports

Utilities Director Jerrold's Russell reported that they have repaired several leaks, and the property where the Ross Creek water tank is located has been cleaned up.
